## Hardy Cochet Roses

The Cochet Roses are among the greatest of hardy everblooming Roses. No matter where you live, they are hardy, thriving vigorously and blooming with the utmost lavishness all Summer through, making strong, sturdy bushes that last for years. The flowers are superb. The Cochet Roses because of their wonderful merit, are a specialty with us. Easily among the greatest of all garden Roses and the best sellers.

**WHITE MAMAN COCHET**—In shape and size like its parent, the Pink Cochet, but of a snowy white, occasionally tinged with a pale blush. One of the finest white Roses for open-ground culture.

**RED MAMAN COCHET**—A great red Rose, and produces magnificent flowers in wonderful profusion on long, strong stems. Flowers are very full and of splendid substance; in color a warm crimson.

**YELLOW MAMAN COCHET**—In shape, size and substance, this is a typical Cochet Rose except that it is of a deep, golden yellow. It has long been considered one of the very finest yellow Roses.

**PINK MAMAN COCHET**—Long considered the Queen of all Pink Garden Roses, as it is one of the handsomest in our whole list. Its large, full and firm buds show wonderful depth and richness of color as they open into very large, perfectly double flowers of splendid substance on long, stiff stems. A clear, rich pink, changing to silvery rose. Has many rivals but few equals. A thoroughly dependable Rose.

**CRIMSON MAMAN COCHET**—This is without doubt one of the sweetest and best hardy Hybrid Tea Roses of its class and color. The plant grows to a strong, sturdy bush, and bears immense quantities of handsomely formed, deep, velvety crimson Roses of exquisite fragrance.

First size, magnificent plants of any of the Cochet Roses, 25c; each; any 5 for \$1.00, postpaid. Extra heavy two-year-old plants, 85c each; \$8.50 per dozen, prepaid parcel post. The demand for these wonderful Cochet Roses is enormous.

## Famous Jeannette Heller Rose

The Best, Strongest, Healthiest, Hardest, Biggest Selling and Most Beautiful Bush Rose in the World.

A Rose that grows anywhere under all conditions, blooms abundantly and produces its marvelously beautiful flowers in continuous abundance; has earned the right to be termed the best bush Rose in the world. That's "JEANNETTE HELLER!" Always in bloom, it is the healthiest growing Rose now in existence, growing luxuriantly everywhere. Perfectly formed flowers; indescribable in color, ranging from shell pink, sometimes running from rosy blush to yellow and sometimes almost pearly white, immense in size and magnificent in form. Produced continuously. Wonderful in growth with the vigor of an oak. Practically insect-proof, needs no petting, grows where others fail. Truthfully it has been said it grows where weeds grow, in any soil or climate. An American Rose, born in America, it wants a permanent home in every garden in America.

Plant it! You will become a Rose enthusiast the rest of your life. That is the reason we want you to try a few plants of "JEANNETTE HELLER"—the best bush Rose in the world. In cold climates should be protected in the Winter.

**Price:** All sizes postpaid by parcel post. Strong, first size plants, 30c each; 4 for \$1.00; \$2.50 per dozen. Large, two-year-old plants, soil on roots, \$1.00 each; \$10.00 per dozen. Star size, \$1.50 each; \$12.00 per dozen. All prices include parcel post charges.

"I purchased a star size Jeannette Heller from you. Its growth this season has been wonderful. It has bloomed constantly since June, and now has over two dozen nice buds on it. Today I cut three of the most beautiful roses I ever saw from it. I have ten roses of the best I could purchase. I would not give 'Jeannette Heller' for all the other ten combined."—M. M. Moser, Hamilton, Ohio.

**PLEASE ORDER AS THE "CLEAN-UP COLLECTION."**

"We now have about thirty Heller Bros. star-size roses and they are a paying investment to those growing them for pastime, where your profits are measured in flattering compliments by admiring friends. We have never lost a single plant of yours."—J. E. Wessel, Morrison, Ill.

**Planting Instructions** These specially prepared pot-grown Rose plants thrive luxuriantly in ordinary good garden soil. Enrich, if possible, with well-rotted manure. Spade deep and plant 15 to 18 inches apart, expose to full sun. The plants come with soil around the roots. Do not disturb it. Plant firmly and fairly deep. Water thoroughly clear to the bottom after planting. Shade the plants with papers for a few days, if possible, from the direct rays of the sun, although this is not necessary. Do not over-water during the growing season. Protect these plants during the Winter but do not put the protection on until severe freezing weather arrives. Keep the ground cultivated and feed plants well-rotted manure, bone meal or a standard flower food.
